

Deaf Smith County Appraisal District - Notice of Availability of Electronic Communications

Under a new law, chief appraisers, appraisal districts, and appraisal review boards may communicate electronically through email or other methods with property owners or their designated representatives. Written agreements are required for notices and other documents to be delivered electronically instead of mailing. The Chief Appraiser has the discretion to offer this type of communication. At this time the Deaf Smith County Appraisal District will not be offering agreements to send or receive notices electronically for the current tax year. If you have any questions, contact the District at (806) 364-0625.
