

Do you want to know how to present your property protest to the Appraisal Review Board?

See the Texas Comptroller's videos at their website

<http://www.window.state.tx.us/taxinfo/proptax/protests.html>

The videos developed by the Comptroller show how a homeowner or a small business owner can present their protest at their hearing.

In addition to the above videos there is also a video on how to prepare for binding arbitration in the event that you disagree with the Appraisal Review Board's decision and wish to go to arbitration.
